Our History

The history of Little Home Bakery began in the early 1990s, when German baker George Plesch introduced traditional European-style breads and rolls to Perth's best venues. In 2005, the wholesale bakery was taken over by German master baker Glenn Marder and his wife Carmen, a qualified pastry chef.

In 2024, Little Home Bakery entered its next chapter under the ownership of Andrew Harpur, continuing its commitment to traditional baking and premium ingredients.

The bakery's success has grown through uncompromising quality and warm service. Each day, the team bakes for Perth's leading hotels, restaurants, and coffee shops using their 26-year-old sourdough starter for exceptional flavour.

Our Philosophy

We are not just Bakers!
We provide an experience to our customers in delivering quality products combined with an outstanding attentive service – most importantly: Consistent!
Caring and being mindful about every individual who is part of our journey.
At the same time we are not afraid of challenging people for the sake of their own growth.

Learning in a friendly team filled with optimism, humour and dedicated accountability is our understanding of growth, power and success.
